The screenshot displays a task management window titled "Schedule Information : 2008-02-04-01 (Remote Virus scan)". A list on the left shows two tasks: "2008-02-04-00 (Execute remot..." and "2008-02-04-01 (Remote Virus s...", with the second one selected. The main area shows details for the selected task: "Number : 2008-02-04-01 (Remote Virus scan)", "Task : Perform Remote Virus Scan", and "Condition : Repeat until successful". A "Delete" button is highlighted with a red circle. A "Notification" dialog box is open, displaying a warning icon and the text "The selected schedule is deleted. Would you like to proceed?". The "Sí" button in the dialog is also highlighted with a red circle. Other buttons like "New Task", "Edit", "Stop", and "More..." are visible.

Se selecciona la tarea deseada, posteriormente dar clic en el boton de "Delete", y se confirma.
